

# SEASONAL TREE CARE MUSTS YOUR SUMMER CHECKLIST

*Help your trees maintain their health and vigor.*

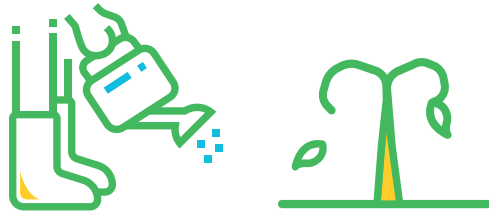

## PRUNE

- Remove dead and high-risk trees and branches
- Shape trees and shrubs to improve aesthetics

## INSPECT

- Inspect trees and shrubs for insect and disease damage
- Inspect trees and shrubs for heat stress
- Monitor irrigation systems and soil moisture

## SOIL CARE

- Fertilize trees, shrubs and lawn
- Water trees, shrubs and flowers when soil is dry
- Spray weed control to eliminate stubborn weeds

## PREPARE

- Cable or brace weak limbs to prepare for severe weather
